

Project Details of INDAX in-roof system

BMI/MONIER bought the patent from SCHOTT, and intended to use in China and Worldwide marketing. This is kind of product that is similar to DecoTech solar system.

SOLARROOM followed up this case for more than 3 years, from the beginning of the project to when the whole system was put into the marketing. We provided one stop services for MONIER:

- Components supplier selection (flashing, module frame, wooden decking, module assembly, fasteners, etc.);
- Design improvement;
- Product manufacturing, QC/QA flowing;
 - a) Aluminum and sheet metal parts;
 - b) Solar Module.
- System testing and improvement: including Structure and Electrical;
- Package design and coordination with other related matters.
- As sole supplier for the whole system in China of Monier.
- Project EPC contractor.
